Highly Absorbed Lipotropic Actives and Fat Burning Acetyl L-Carnitine

Skinny Spritz Sublingual Lipotropic Spray is an all natural way to lose weight and to maintain a healthy body weight. Skinny Spritz is composed of essential nutrient groups that increase metabolism and accelerate fat burning.

Skinny Spritz is a patent-pending blend of vitamins, amino acids, lipotropics and fat burning extracts. When applied under the tongue, the small particle size is rapidly absorbed via the sublingual process. The pH is optimized to the level scientifically proven to increase sublingual absorption.
